## ROCKWELL COOPERATIVE TELEPHONE ASSOCIATION

### DSL INSTALLATION WAIVER\*\*

Rockwell Cooperative Telephone Association is offering to waive the required \$99.00 DSL (ADSL & SDSL Voice-Data Access Services only) Access Service Installation Fee. To qualify for the DSL Installation Waiver, the DSL customer must commit to retain the DSL service for a minimum period of 12 months, starting with the installation date. If the DSL customer discontinues the DSL Access Service prior to the end of the 12 month waiver commitment period, Rockwell Cooperative Telephone Association will bill the full \$99.00 to the former DSL customer. This charge will not be prorated based on the amount of time remaining in the waiver commitment period.

**\*\*This waiver must be signed and witnessed at the time of the DSL installation, or returned to our office, with the required signatures, within seven (7) days of installation. (If the waiver is not returned by this time, your account will be charged the installation fee of \$99.00.)**

### AGREEMENT

I, \_\_\_\_\_, agree to maintain DSL Access Service for a 12 month period, starting with the service installation date.
